KITS SOLD!**

#### Important Safety Information

If you are using, or have used, prescription products for any eye pressure problems, only use **LATISSE<sup>®</sup>** under close doctor care. Although not seen in **LATISSE<sup>®</sup>** clinical studies, **LATISSE<sup>®</sup>** solution may cause increased brown pigmentation of the colored part of the eye, which is likely permanent. Eyelid skin darkening may occur, which may be reversible. **Only apply at the base of the upper eyelashes. DO NOT APPLY** to the lower eyelid. Hair growth may occur in other skin areas that **LATISSE<sup>®</sup>** solution frequently touches. If you develop or experience any eye problems or have eye surgery, consult your doctor immediately about continued use of **LATISSE<sup>®</sup>**. The most common side effects after using **LATISSE<sup>®</sup>** solution are itchy eyes and/or eye redness. If discontinued, lashes will gradually return to their previous appearance.

Full Prescribing Information has been provided to your doctor.
